TONYA LADIPO, LCSW

WWW.THELADIPOGROUP.COM

Tonya Ladipo is a licensed clinical social worker with over 25 years of experience helping individuals enhance their emotional intelligence and create psychologically safe workplaces where everyone can thrive.

Using her unique perspective as a clinician, Tonya understands the complexities of human behavior and what motivates people and organizations to change. As an engaging speaker, she presents to both large audiences of 1,000+ and more intimate gatherings for top executives.

Tonya's philosophy, Knowledge is Good, Behavior is Better, underscores her approach to creating lasting behavior change for individuals and organizations.

Tonya has been honored to receive several awards, including Titan 100, Philadelphia Business Journal's Diversity in Business, and the Pioneer Award.

Her keynote speeches and public speaking garner repeat invitations and high praise from clients such as Google, SHRM, and University of Pennsylvania.

Tonya's work has been featured by:

- ABC, FOX, NBC, and NPR news
- Black Enterprise Magazine
- Essence Magazine
- The New York Times
- The Philadelphia Inquirer
- The Philadelphia Tribune

CLIENTS

TESTIMONIALS

“Thank you for a wonderful session! I have been thinking about all we learned and about experiences that I have witnessed. You hit on something so valuable and topics we really need to discuss.”

- VP of Human Resources at a national media company

“The training helped me immediately implement the skills that were taught. I was able to help an employee with a challenging situation the very next day.”

- Human Resources at global tech company with 180,000+ employees

“Tonya has an ease to her when she’s speaking. She makes complex concepts easy to understand. Thank you!”

- Attendee at Conference Presentation
